- Each service-period's Included-Value and Data Allowance is valid for 100 days of use. Except for the service-period of E-300, E-365 plan and E-800 plan which are valid for 300 days, 365 days and 800 days of use respectively.
- At the end of the service-period OR when you use up your voice/data allowances, the next service-period will commence immediately with renewed allowances. Any excess usage will be brought forward to the renewed service-period.
- If you have not applied for direct debit, a minimum of \$5 must remain on your account at all times. When your account's remaining Data Allowance and Included-Value becomes low, you will be charged a renewal plan fee via your nominated direct debit account or you must make payment via alternative methods to avoid service suspension.

Failure of making payment over 60 days, your service will be fully disconnected. You are responsible to pay for all un-paid service-periods.

5. You can monitor your usage at [www.etel.com.au/account](http://www.etel.com.au/account). It is your responsibility to monitor your call/data usages and work out your latest remaining allowance. You are responsible to pay for all usage originating from your SIM, including delayed transaction items. E.Tel will make its every endeavour to retrieve your call data from our network provider for your reference, which may have a delay of up to 48 hours, or more for international calls and international roaming etc. Any abnormally delayed or un-billed usages will still be billed as part of your current service-period.
6. Each service-period's remaining Data Allowance and Included-Value balance is not refundable nor transferable once the service-period is in use.
7. Special conditions apply to International Voice Roaming. **International Data Roaming is not allowed and you must turn it off at all times or you agree to pay the cost of the carrier's charges (at least \$0.02/KB).**
8. SIM card replacement handling fee of \$15 applies under all circumstances. Table for pricing on other services at [www.etel.com.au/policies](http://www.etel.com.au/policies).
